

28 August 2024 - GBIF Asia Nodes meeting - Day 1

Audience: GBIF nodes in Asia, Asia regional support team, representatives of regional networks and regional centers

Zoom Link: https://us02web.zoom.us/join/ztAfuCvpj4uHdLcWYNNvmWPT_VF_g7GjLs-

Location: National Science Library, CAS

09.00 - 10.00	<p>Welcome address and opening remarks by representatives of the meeting host</p> <p>Welcome address and introduction to the scope and objectives of the meeting, Asia regional representatives</p> <p>GBIF Secretariat Update (20min):</p> <p>Participation in Asia</p> <p>Introduction to GBIF mission, vision and priority areas</p> <p>The role of the GBIF nodes</p> <p>The nodes implementation plan</p>	<p>Director of National Science Library, CAS (Xiwen Liu)</p> <p>Zheping Xu, Asia Regional Representative and Mao-Ning Tuanmu, Asia Deputy Regional Representative</p> <p>GBIF Executive Secretary, Joe Miller(online)</p> <p>Maheva Bagard Laursen, GBIF Secretariat</p>
10.00 - 10.30	Tea / Coffee break	
10.30 - 11.30	<p>Strengthening regional collaborations:</p> <p>AP BON (Alice Catherine Hughes)</p> <p>OBIS (Meng Zhaocui)</p> <p>IUCN Asia regional office (Dindo Campilan)</p> <p>IPBES (Aidin Niamir)</p>	<p>Speakers:</p> <p>AP BON Representative</p> <p>OBIS Representative</p> <p>IUCN Asia Regional Office</p> <p>IPBES Representative (Aidin Niamir, Senckenberg Biodiversity and Climate Research Institute)</p>
11.30 – 12.00	<p>Open data for research and decision making:</p> <p>Data use cases (lighting talks)</p> <p>Bird Monitoring and application(Xia Shaoxia)</p> <p>How Is GBIF Impacting Fungal Data and Their Significance in Nepal(Shiva DEVKOTA, Nepal)</p> <p>Traditional Biodiversity Knowledge Construction in Yunnan, China(Zhuang Huifu, Kunming)</p>	<p>Speakers:</p> <p>Institute of Geographic Sciences and Natural Resources Research, CAS</p> <p>Institute of Botany, CAS</p> <p>Kunming Institute of Botany, CAS</p>
12.00 - 12.30	<p>Strengthening regional collaborations - Panel discussion</p>	<p>Facilitators: Zheping Xu, Mao-Ning Tuanmu and Maheva Bagard Laursen</p> <p>Panel member: Nodes and speakers</p>

12.30 - 13.30	Lunch	
13.30 - 14.15	Update from the GBIF Secretariat with Q&A: GRSciColl (10 minutes) The Data model (30 min)	Lily Shrestha, GBIF Asia support team Matthew Blissett, GBIF Secretariat
14:15	Start of closed session for GBIF Asia Nodes	
14.15–15.00	South Korea (online,Eunjoong Kim) Timor Leste (Fernanda Cesar da Silva) Cambodia (online , Sophea CHHIN) Chinese Taipei (Mao-Ning Tuanmu)	South Korea GBIF node representative Timor-Leste GBIF node representative Cambodia GBIF node representative Chinese Taipei GBIF node representative
15.00 - 15.30	Tea / Coffee break	
15.30 - 16.30	Chinese Academy of Sciences (XU Zheping) ASEAN Center for Biodiversity (Christian Elloran) East Asia Biodiversity Conservation Network (online ,Jaesang Chung) International Centre for Integrated Mountain Development (online , Bandana Shakya) World Federation for Cultures Collections (Dr. Jing Li) Japan BIF(online , Utsugi JINBO)	CAS GBIF node representative ASEAN Center for Biodiversity GBIF node representative EABCN GBIF node representative ICIMOD GBIF node representative World Federation for Cultures Collections GBIF node representative Japan BIF
16.30 - 17.00	GBIF Asia: Discussions on status and priorities	Representatives from all nodes
17.00–17.30	Group Photo and Tour around of National Science Library	
18.00	Hosted dinner	

29 August 2024 - GBIF Asia Nodes meeting - Day 2

Audience: GBIF Nodes in Asia, Asia regional support team, Data publishers and data users in Asia

ZOOM link: <https://us02web.zoom.us/meeting/register/tZYvd-irpjksEtReDG5MCzo-k2FJ-vYLS5b4>

Location: National Science Library, CAS

09.00 - 09.50	Developing the GBIF community of practice in Asia	Speakers: Melissa Liu - GBIF Asia support team Lily Shrestha - GBIF Asia support team Chihjen Ko GBIF - -Asia support team Vijay Barve - GBIF Asia support team
09:50-10:30	Introduction to best practices and tools for biodiversity data management and publishing	Facilitators: GBIF Asia support team
10.30 - 11.00	Tea / Coffee break	
11.00 - 11.30	Relevance of GBIF data - Overview Unlocking relevant data: example from data publishers (lightning talks)	Speakers: GigaScience Press(Scott Edmunds) Nanjing Forestry University(Hu Wei) Seoul National University(Chin Sung CHANG) Institute of Botany, Chinese Academy of Sciences(Liu Huiyuan)
11:30-12:00	GBIF Asia: Discussions on status and priorities	Facilitator: Keping Ma, HoD of GBIF CAS
12:00-12:30	Wrap up and summary of key points	Keping Ma, HoD of GBIF CAS GBIF Executive Secretary, Joe Miller(online)
12.30 - 13.30	Meeting close & Lunch	
14:00-17:00	Tour around of National Botanic Garden and Plant Research Data Center in Institute of Botany, CAS. <u>Plan:</u> 1.Short Discussion among Institute of Botany(CAS), and the meeting attendees. 2.Tour around the garden.	Biodiversity Committee, Chinese Academy of Sciences
